

APPAREL SIZE CHART

STUDENT AMBASSADOR PROGRAMS

People to People Student Ambassador Programs is pleased to provide you with special apparel to wear during travel to and from the program, as well as during program activities. Our Student Ambassador polo features a soft, lightweight material that dries quickly and wicks moisture away from skin. To ensure a proper fit, please follow the size chart below.

Using a measuring tape, measure around the chest just under the arms, across the shoulder blades, with arms down at sides.
